Funds Requested

? Requesting Rotary Santa Barbara North, California

Other Project Support

\$2,000 Projector (2) Peter Brown (China Lake Rotary) California

Notes

- (1) The Rotary Club of Larkspur will donate up to \$70,000 for this project. The club is working on other high value humanitarian projects centered on helping children hurt by war. Any money not used for this project will be diverted to the other projects.
- (2) Peter Brown supported this project by making a \$2,000 projector available for making presentations during fundraising. The projector was a critical component to making the presentation affective.
- (3) AI – Assist International, the project implementer.
- (4) CL – The Rotary Club of China Lake, Charitable Foundation. \$2,000 of these funds will be sent to AIAA for wheelchairs and the rest to AI to install the four ICU unites in Vietnam.
- (5) Not all committed funds will pass through The Rotary Club of China Lake, Charitable Foundation.
- (6) The \$2,000 provided by Julius G Foundation was directed by The Rotary Club of Ventura.
